Texas Civil Justice League PAC Endorses Ed Thompson

The Texas Civil Justice League PAC has endorsed Ed Thompson for State Representative, District 29. For more than 25 years, the Texas Civil Justice League has worked to restore fairness and stability to the state's civil justice system.

Carol Sims, TCJL PAC Treasurer, said, "We know that Ed Thompson will bring conservative values and a dedication to business liability reform to the Texas House. We need leaders like Ed who will defend our state against costly frivolous lawsuits."

"The lawsuit reforms we have implemented in Texas have played a significant role in keeping our economy strong. I will remain committed to conservative policies that allow business to thrive in Texas, such as keeping taxes low and keeping tort reforms intact," Thompson said.

Voters in House District 29 and conservatives throughout the state agree that Ed Thompson is the right choice for HD 29. Thompson's endorsements include current HD 29 State Representative Randy Weber, Young Conservatives of Texas, Texas Association of Realtors, Texas Hospital Association, and the Texas Alliance for Life.

Thompson is a successful small businessman and dedicated public servant. He has been a small businessman in Pearland for nearly 30 years, recently served as Mayor Pro-Tem of Pearland, is past President of the Pearland Economic Development Corporation, past Chairman of the Pearland Chamber of Commerce, and former member of the Pearland ISD School Board. Thompson is now in his 39th year of officiating football games in Texas. Ed is married with two children and four grandchildren.
